Retail Incentive Program

ALTERNATIVE LEASING & ALTERNATIVE FINANCE PROGRAM

VERY IMPORTANT: Alternative Leases (SCI Lease Corp) or Alternative Finance Offers (TD Auto Finance, Scotiabank, or RBC) require additional disclosures in loan documentation and in advertising. If a customer chooses to use the alternative lease or the alternative financing offer, the dealer must complete Effective Interest Rate disclosure in the loan/lease documentation. Please contact your finance institution or SCI Lease Corp. for complete details.

If a dealer advertises alternative lease or alternative finance rates, the effective interest rate (which includes the foregone difference between the Consumer Cash and the Alternative Lease or Alternative Finance Consumer Cash available on the applicable vehicle as a cost of borrowing) must appear as prominently as the nominal rate. Dealers are responsible for complying with all applicable provincial cost of credit disclosure laws. Please consult your legal counsel for complete details.

The Alternative Finance/Lease Program is not compatible with any other Consumer Cash or Lease Cash amount nor Subvented Financing (Prime and Non-Prime).

The Alternative Finance/Lease Program is compatible with all other Retail Bonus Cash Programs, Loyalty/Conquest Programs, certificate programs, FCA Employee Purchase Program, FCA Employee Choice Program, FCA Friends Program, Preferred Programs, Affiliate Program, and performance programs.

- The 'Alternative Finance Program Addendum' must be completed and submitted to your finance source to be eligible for the alternative finance rate. See Addendums.
- The 'Alternative Lease Program Addendum' must be completed and submitted to SCI Lease Corp to be eligible for the alternative lease rate. See Addendums.

You have up to six (6) options to ensure you have the perfect offer for each customer:

- ☐ Consumer Cash Discount + FCA Special Standard Finance Rates (i.e. 4.99%)
- ☐ Consumer Cash Discount + Non-prime Finance Rates as low as 6.99%
- ☐ Alternative Consumer Cash + Alternative Consumer Cash Finance Rates (i.e. 0%)
- ☐ Consumer Cash Discount + Bank Standard Rates
- ☐ Lease Cash Discount + SCI Standard Lease Rates
- ☐ Alternative Lease Cash + SCI Alternative Lease Rates

- **NVDR CONFIRMATION REPORT - ALL Finance Sources**– In an effort to ensure timely reporting and claiming of subvention cost incurred by financial institutions, Dealers will be required to provide a copy of an 'accepted' NVDR confirmation report to the financial institution in order to receive funding from the financial institution. This is required when submitting the Customer's financial contract to the Bank.
- Failure to complete the form in its entirety and to submit it to your finance source could result in delayed funding and / or potential program chargeback.

FINANCE ADDENDUM / SOLD ORDER RATE PROTECTION FORM: POTENTIAL PROGRAM CHARGEBACKS – ALL Finance Sources – In order to ensure the RDR date submitted to FCA Canada and the contract date submitted to your finance source have compatible programs (which is required to prevent potential program chargebacks), the attached finance addendum form is now a requirement for all finance deals. See Addendums.

Consumer Cash Discount

Programs 262Q provides a cash discount for your customer that is combinable with all subvented finance rates as shown on your program landscapes – Includes select 2024, 2025, and 2026 models. Dealers are required to claim this program via the incentive system.

LEASING

Selected new and unused Passenger Cars and Trucks delivered at retail (Type of Sale L, subvented terms) will qualify for Special APRs as indicated on the Lease Incentive Landscape.

1. **Lease Finance Reserve**: Dealers will be paid a $200 finance reserve by SCI Lease Corp. on all subvented Lease contracts. FCA Canada Inc. will fund the $200 Lease finance reserve cost (includes tax).

2. The Low Kilometre and Super Low Kilometre residual enhancements available are as follows:

Term	Low KM (18,000 km/year) Residual Enhancement	Super Low KM (12,000 km/year) Residual Enhancement
24 – 27 months	+1	+2
36 – 42 months	+2	+3
48 – 54 months	+3	+4
60 months	+4	+5

3. Where a Lease Cash applies, the full value of the Lease Cash will:
   i. Be provided to the customer in the reduced selling price.
   ii. Appear on the line item on the Lease Worksheet or an attachment to the worksheet as a non-taxable reduction in the selling price.

Important: All SCI Leases must be reported as a Type-of-sale 'L' and the lessee's name and address must be entered as the customer (not SCI Leasing).

Note: **Sold order protection does not apply to residual values**. Please refer to Standard Rules for all other Sold Order inquiries.

Eligible Other Programs

Program is compatible with all other retail programs in effect during the program period, excluding Fleet Programs in effect.

IMPORTANT: If, in FCA Canada's sole opinion, the lease or sale of a vehicle or part violates the terms of the Sales and Service Agreement or any FCA Canada program rules or policies, FCA Canada reserves the right to exclude the lease or sale from the dealership's entitlement, charge back any monies paid, and revoke any benefits received under this Program. Any questions or disputes relating to eligibility, payments or other elements of this program shall be disposed of at the sole discretion of FCA Canada, whose decision shall be final.

FCA Canada may, at any time, revoke and/or amend the Program without incurring any further obligation. The foregoing represents an official outline of the subject program rules. Please retain a copy in your files for future reference.

Dealers will receive a $200 flat fee (Includes Tax) directly from SCI Lease Corp for all eligible funded lease deals with SCI Lease Corp. Contact the qualifying finance source for applicable Standard (STD) Rates and flat fee dealer reserves. **Before Tax discounts are manufacturer to dealer discounts. The reduced cost should be passed on as a reduction in the selling price to the customer. Applicable taxes are payable on the reduced selling price. These discounts are not to be noted as a separate line item on the Bill of Sale. †After Tax discounts are applied as consideration received from the customer and are to be applied toward the total purchase price with applicable taxes calculated before the After Tax discount is applied. As such, these types of discounts are to be clearly shown as a line item on the Bill of Sale and Dealers are encouraged to advise the customer that it is an After Tax Discount. This could be in the form of a written statement directly on the bill of sale or invoice that simply states "Includes Tax" or "Tax Included" next to the rebate amount.

IMPORTANT - EFFECTIVE INTEREST RATE DISCLOSURE

Alternative Lease Offers require additional disclosures in loan documentation and in advertising. If a customer chooses the Alternative Leasing offer, the dealer must complete Effective Interest Rate disclosure in the lease documentation. Please contact SCI Lease Corp. for complete details.

If a dealer advertises alternative lease rates, the effective interest rate (which includes the foregone difference between the Consumer Cash and the Alternative Lease Consumer Cash available on the applicable vehicle as a cost of borrowing) must appear as prominently as the nominal rate. Dealers are responsible for complying with all applicable provincial cost of credit disclosure laws. Please consult your legal counsel for complete details.

Alternative Lease Cash is for Lease transactions only and is not stackable with:
- SCI Standard Lease Finance Rates
- Consumer Cash
- Alternative Consumer Cash
- Lease Cash
- Subvented Finance/Alternative Rates

The above published Alternative Lease Rates are available through SCI Lease Corp for up to 60 months and are combinable with Alternative Lease Cash and all other Retail Bonus Cash programs but not combinable with Consumer Cash, Alternative Consumer Cash or Type of Sale "L" Lease Cash. **Dealers will receive a $200 flat fee (Includes Tax) directly from SCI Lease Corp for all eligible funded lease deals with SCI Lease Corp. - **Lease Cash**
- **Subvented Finance/Alternative Rates**

The above published Alternative Lease Rates are available through SCI Lease Corp for up to 60 months and are combinable with Alternative Lease Cash and all other Retail Bonus Cash programs but not combinable with Consumer Cash, Alternative Consumer Cash or Type of Sale "L" Lease Cash. **Dealers will receive a $200 flat fee (Includes Tax) directly from SCI Lease Corp for all eligible funded lease deals with SCI Lease Corp. Contact the qualifying finance source for applicable Standard (STD) Rates and flat fee dealer reserves. ∞Before Tax discounts are manufacturer to dealer discounts. The reduced cost should be passed on as a reduction in the selling price to the customer. Applicable taxes are payable on the reduced selling price. These discounts are not to be noted as a separate line item on the Bill of Sale. †After Tax discounts are applied as consideration received from the customer and are to be applied toward the total purchase price with applicable taxes calculated before the After Tax discount is applied. As such, these types of discounts are to be clearly shown as a line item on the Bill of Sale and Dealers are encouraged to advise the customer that it is an After Tax Discount. This could be in the form of a written statement directly on the bill of sale or invoice that simply states "Includes Tax" or "Tax Included" next to the rebate amount.
